Label applicators

The LS550 from Label Systems is a robust label applicator that is suitable for use in demanding production environments that require high speed performance. Built with high-quality materials, the LS550 provides higher speeds and greater versatility than other similarly featured units. The LS550 is perfectly suited for top, side panel (with one or two applicators), and wrap-around applications.

Standard features

- Stepper Motor
- Colour Touch-Screen controller
- Photo Electric Produce Sensor
- Photo Electric Label Sensor
- 2000 in/min dispensing speed
- Peel Tip Accuracy of + or - 1/32"
